The Chicago Public Schools

Re: HPKCC's Support for the Proposal of the Coalition to Revitalize Walter H. Dyett High School

The Hyde Park-Kenwood Community Conterence Board of Directors supports the proposal from the Coalition to Revitalize Walter H. Dyett High School, for a Chicago Public Schools open-enrollment, neighborhood, district-run high school.

The Hyde Park-Kenwood Community Conference has been a proud supporter of neighborhood public schools for over sixty years, and we look forward to continuing this relationship with our local schools.

We envision a revitalized Dyett as a school providing continuity for our children and for our community for the next six decades.

Sincerely,

George W. Rumsey, President

Hyde Park-Kenwood Community Conference

on behalf of the Board of Directors
